

AMERINET CONTRACT VH10176

FOR STERILE MINOR PROCEDURE TRAYS AND INSTRUMENT RECYCLING

AN EXCLUSIVE OPPORTUNITY FOR COST SAVINGS ON CUSTOM TRAYS

AMERINET CONTRACT VH10176

CENTURION IS PROUD TO HAVE BEEN AWARDED THE AMERINET CUSTOM TRAY CONTRACT #VH10176.

OUR MISSION IS TO MAKE THIS ONE OF THE MOST SUCCESSFUL CONTRACT REBATE PROGRAMS EVER. OUR COMMITMENT TO AMERINET MEMBERS IS TO PROVIDE THE BEST QUALITY, BEST SERVICE AND BEST COST OUTCOMES POSSIBLE.

PLEASE TAKE THE TIME TO REVIEW THE CONTENTS OF THIS BROCHURE TO SEE FOR YOURSELF THE MANY THINGS WE CAN DO FOR YOU.

BEST SERVICE

- Unique contract opportunity for custom kits – the only one of its kind!
- Outstanding levels of customer satisfaction: setting the standard of service in the industry
- Providing all the services you need:
 - kit design and packaging
 - sterilization and warehousing
 - on-time shipping – no back orders!

BEST QUALITY

- Kits are customized to your exact needs with exactly what you need – nothing extra to throw away!
- Offering over 100 different types of trays, featuring:
 - Dressing Change Trays
 - IV Start and Securement Trays
 - Instrument Trays for multiple procedures

BEST COST OUTCOMES

- Innovative and unique Instrument Recycling Program helps save money by eliminating instrument disposal costs
- Participating customers are awarded rebates for every instrument returned in reusable condition – a real, tangible cost savings!

INSTRUMENT TRAYS

- Trays designed for a wide variety of procedures
- Centurion® instruments offer exceptional reliability; guaranteed to perform to the highest standard every time
- Reusable quality at a disposable price

SNAGFREE® INSTRUMENTS

- Patented hinge design prevents sutures from catching
- Individually tested on 6-0 suture for unsurpassed quality
- Smoothest, most hassle-free suturing available

U.S. Patent No. D492,777

DRESSING CHANGE TRAYS

Dressing Change Trays designed for:

- CVC sites
- PICC lines
- Midlines
- Implanted ports
- Tunneled catheters
- Oncology and antibiotics administrations

IV SECUREMENT TRAYS

Product Features:

- SorbaView® Window Dressings
- Centurion® Securement Devices
- Pre-cut tape-on-liner strips
- Latex-free components
- Antiseptic skin preps: PVP, CHG and alcohol
- Many packaging options

INSTRUMENT RECYCLING

- Easy to implement
- Free collection containers and pick-up service
- Reduces landfill and raw material usage
- Lowers overall instrument tray costs
