# The best dressing on the market.

- Highest quality materials and construction available
- Centurion Ultimate Film™ takes advantage of new manufacturing technologies to dramatically improve performance
- Ultimate Film and absorbent pad work together to prevent moisture build up
- Multi-layer construction is protective, breathable and comfortable to patients' skin
- Forms occlusive barrier to liquids and bacteria
- Easy to apply and remove
- Stays securely in place for extended periods
- Non-cytotoxic adhesive is non-irritating and non-sensitizing
- Exceptionally high Moisture Vapor Transmission Rate (MVTR)
- Transparent window allows for continuous site visibility
- Conforms and responds to body contours
- Latex free
- Available in individual sterile packages, or in custom procedure trays

Also available: SorbaView Ultimate IJ – designed specifically for Internal Jugular sites

Other sizes and styles may be available.

MADE IN THE U.S.A.
