

Customized VIP Patient Kits

To help ensure a pleasant stay for your most important patients

Thick, soft robes can be custom embroidered

With customized Centurion® Patient Care Kits, you can design a kit filled with amenities to help your special patients feel better about their stay. We can help you design kits from the most simple to the very elaborate. Choose from a large selection of brand name products and imprintable items to create a special gift to enhance your patients' comfort. Ideal for VIP patients and to help increase patient satisfaction.

These are only a few of the many products available

Choose from a large selection of quality items to complete your kit, including:

- Neutrogena and other brand name products
- Custom stitched bathrobes
- Imprintable mugs
- Imprinted plastic tote bags and canvas bags
- Toothbrushes and holders
- Pencils and scratch pads
- Soaps, shampoos, aftershave
- Combs and brushes
- Razors
