

CENTURION<sup>®</sup>

# Trauma Sheet<sup>™</sup>

Absorbent Gurney Cover

## THREE LAYERS OF PROTECTION

1 Cloth-like Top Layer

2 Absorbent Core

3 Polyethylene Barrier

Equipment stays clean

- Drapes over gurneys to reduce amount of exposure to fluids
- Unique core absorbs four liters of fluid
- Guards against damage to linens, mattresses and mechanical equipment
- Cleaner environment for staff
- Allows for easier cleanup
- Stackable, portable, individually packaged for easy transport
- Can be used in any emergency setting; ideal for trauma centers
